

"A crime so new the law hasn't named it."

A regulator with no quorum. A president's family holding the equity.
ALL IN follows the three people who found the machine, and ran into a wall.

CFTC STAFF

WHO WE FOLLOW

- **Deebs / Bubblemaps** Paris. On-chain analyst. Found the nine wallets. On-camera this week.
- **David Kovel** Kirby McInerney. CFTC attorney. Largest CFTC whistleblower award recipient. On record.
- **Michael Hornsby** ACDC. Co-directed Congo Hold-Up. Applied same methodology to Polymarket. On record.

THE STRUCTURE · 4 EPISODES

- 01 The Addiction** The front door. The machine's fuel supply. The airman.
- 02 The Machine** The platform, the wallets, the fifteen-minute gap.
- 03 The Owners** Founders Fund. Trump Jr. \$9B valuation. The captured regulator.
- 04 The Reckoning** Trial: December 7, 2026. The crime has no name.

THE PRECEDENT · CONGO HOLD-UP (2021)

Same structure: captured regulator, anonymous conduit, insider edge. Different suit.
ACDC identified the pattern. ACDC broke the Congo case. The bridge is not accidental.

THE ASK

Seeking a streaming or broadcast partner before December 7, 2026.
Three on-record investigators. Published peer-reviewed data. Active federal trial. Window closing.
